- Cut off the power when cleaning it or not using it.
- Do not use it exceed the voltage.
- Use the original power adapter and do not use products of any other brand. Avoid touching it with wet hands.
- Risk of tip over. Maximum load per layer: 5 KG/11 LB.
- Please stop using it in case of any defective issues.

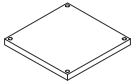

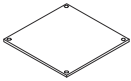

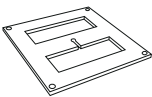

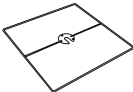

Product Structure

Specification

Model Nr.	PFL-007
Material	Wood + Metal+ Linen
Voltage	AC220-240V 50Hz
Bulb	LED Bulb(3000K/4500K/6500K)
Bulb base	E27
Max wattage	9W LED
Max Weight Capability	5kg (11 lb) for each shelf

Package Contents

 1 * Thick Board	 2 * Thin Board	 1 * Top Board	 12 * Metal Poles
 9 * Screws	 9 * Screws	 4 * Rubber Mat	 1 * lamp holder
 1 * Lampshade	 1 * Lampshade Support	 4 * Clip	 1 * Screwdriver
			 1 * E27 LED bulb

Installation

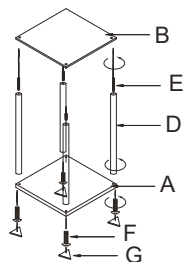

Attention: To install this product faster and easier, please install from the base of the lamp to the top of the lamp.

Step 1:

Assemble the thick board with a thin board through 4 poles.

Tighten 4 screws to secure 4 poles to the thick board.

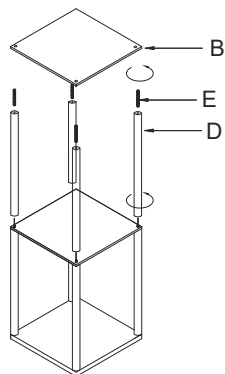

Attach the cushions onto 4 screws bottom.

Step 2

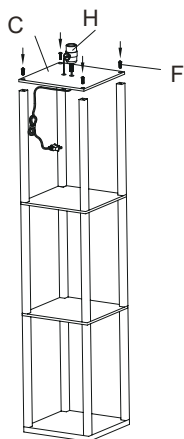

A thin plate and another thin plate are fixed by four poles and four screws.

Follow the same steps for the installation of bulb base.

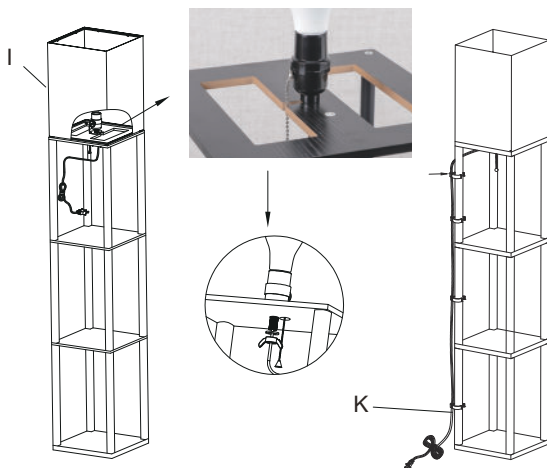

Step 3

Secure the top board firmly to the four metal poles with four screws.

Step 4

Then place the lampshade into the floor lamp frame, tighten the bottom latches and install the LED bulb.

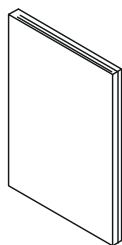

Shade assembly Instruction

Please read and save these instructions:

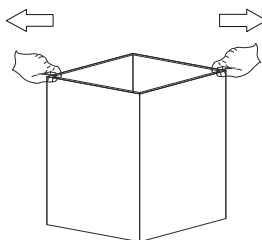

Step 1

Take out the folded fabric lampshade.

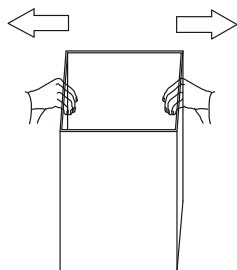

Step 2

Extend the lampshade.

- Il risque de basculer. Charge maximale par couche: 5 KG/11 LB.
- Veuillez ne plus utiliser le produit s'il est défectueux.

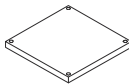

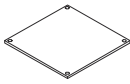

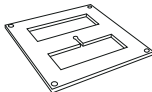

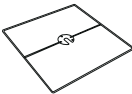

Structure de Produit

Spécifications

Modèle No.	PFL-007
Matériau	Wood + Metal+ Linen
Voltage	AC220-240V 50Hz
Ampoule	LED Ampoule (3000K/4500K/6500K)
Base d'ampoule	E27
Puissance maximale	9W LED
Capacité de charge maximale	5 kg (11 lb) pour chaque couche

Contenu du coli

 1 * Planche Épaisse	 2 * Planche Mince	 1 * plateau supérieur	 12 * tiges métalliques
 9 * Vis	 9 * Vis	 4 * tapis en gomme	 1 * Socle d'ampoule
 1 * Abat-jour	 1 * Support d'abat-jour	 4* Agrafe	 1 * Tournevis
 1 * Ampoule LED E27			

Installation

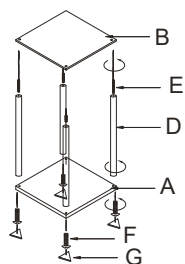

Attention: Afin d'installer ce produit plus rapidement et plus facilement, veuillez installer de la partie inférieure de la lampe à la partie supérieure de la lampe.

Étape 1:

Montez la plaque épaisse avec une plaque mince de 4 pôles.

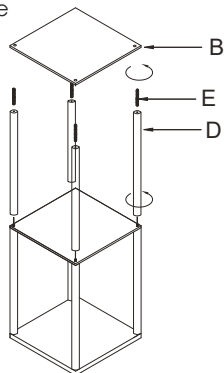

Serrez 4 vis pour fixer 4 pôles à la plaque épaisse.

Fixez le tapis antidérapant à 4 vis ci-dessous.

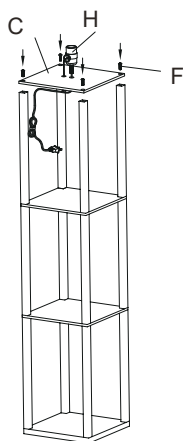

Étape 2:

Une plaque mince et une autre plaque mince sont fixées par quatre pôles et quatre vis. Suivez les mêmes étapes pour l'installation de la base de bulbe.

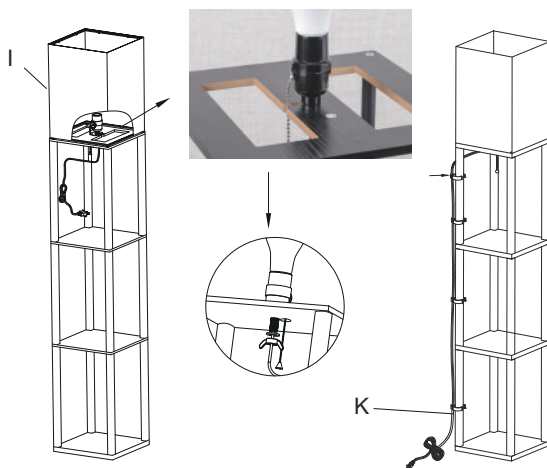

Étape 3:

Fixez solidement le plateau supérieur aux quatre tiges métalliques avec quatre vis.

Étape 4:

Si tienes preguntas o necesitas ayuda, contacta con nuestro servicio de atención al cliente por correo electrónico, indicando tu número de pedido y número de modelo del producto. Nos esforzaremos por ofrecerte una solución óptima.

Introduzione

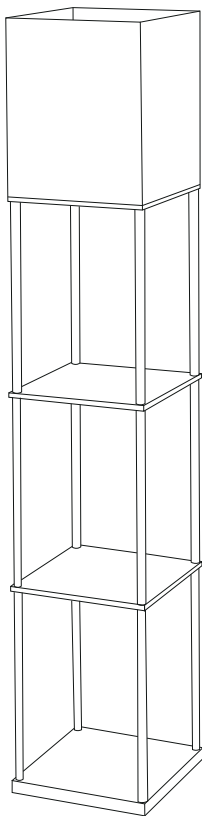

Gentile cliente,

Grazie per aver scelto la lampada da terra con ripiani. Questa guida ti aiuterà a installare e utilizzare correttamente la tua nuova lampada. Leggi attentamente queste istruzioni. Ti speriamo molta delizia via la tua nuova lampada!

Manutenzione del prodotto

- Leggere il manuale dell'utente prima dell'uso per favore.
- Consigliare di usare interno. Non è impermeabile. Non usare questo prodotto in ambienti umidi e ad alta temperatura.
- Spegnerlo quando lo pulisci o lo usi la lampada.
- Non eccedere il voltaggio.
- Utilizzare l'adattatore di alimentazione originale e non utilizzare prodotti di nessun'altra marca. Non toccare il dispositivo con le mani bagnate.
- Suggerimento di rischio. Carico massimo per strato: 5 KG/11 LB.
- Fermare di usare quando hai trovato qualunque problema difettoso del prodotto.

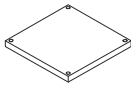

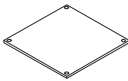

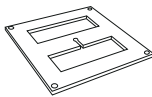

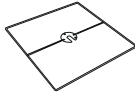

Struttura del prodotto

Specificazione

Modello Nr.	PFL-007
Materiale	Wood + Metal+ Linen
Voltaggio	AC220-240V 50Hz
Lampadina	LED Lampadina (3000K/4500K/6500K)
Attacco della lampadina	E27
Potenza Massima	9W LED
Capacità di peso massima	5 kg (11 lb) per ogni scaffale

Componenti Incluse

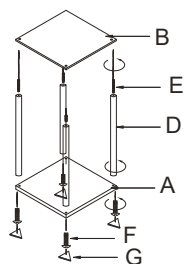

A  1 * Tavola Spessa	B  2 * Tavola Sottile	C  1 * tavola superiore	D  12 * staffe metalliche	
E  9 * Viti	F  9 * Viti	G  4 * Tappetino	H  1 * Base della lampadina	I  1 * Paralume
J  1 * Supporto di paralume	K  4* Graffetta	L  1 * Cacciavite	M  1 * Lampadina LED E27	

Installazione

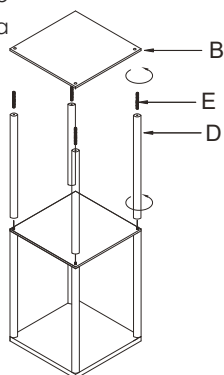

Attenzione: Per installare il prodotto più semplice e veloce, si prega di installare dalla base della lampada per la parte superiore della lampada.

Fase 1:

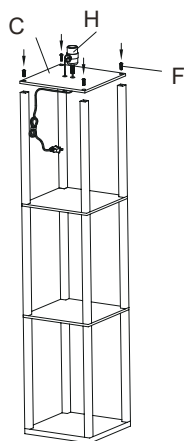

Montare la piastra spessa con una lastra sottile di 4 poli.
Stringere 4 viti per proteggere 4 poli nella piastra spessa.
Attaccare il tappetino antiscivolo a 4 viti sottostanti.

**Fase 2:**

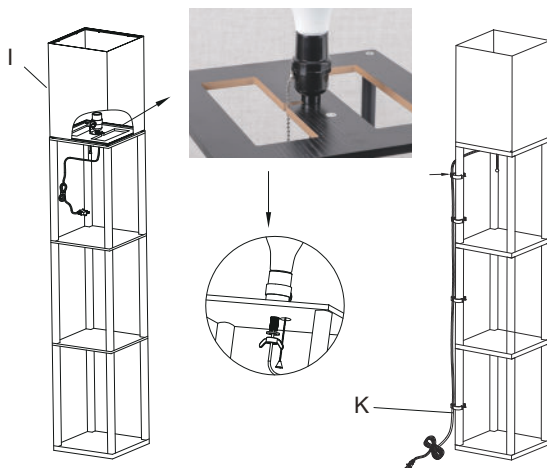

Una piastra sottile e un altro piatto sottile sono fissati da quattro poli e quattro viti. Seguire gli stessi passaggi per l'installazione della base della lampadina.

**Fase 3:**

Fissa saldamente la tavola superiore alle quattro staffe metalliche con quattro viti.

**Fase 4:**

Quindi inserire il paralume nel telaio della lampada da terra, stringere i battenti inferiori e installare la lampadina LED.

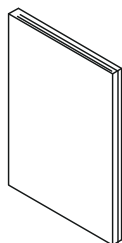

Passaggi di installazione del paralume

Si prega di leggere e salvare queste istruzioni:

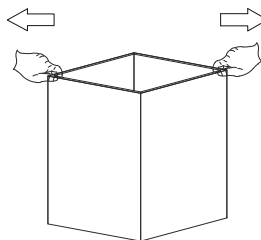

Fase 1:

Estrarre il paralume in tessuto piegato.

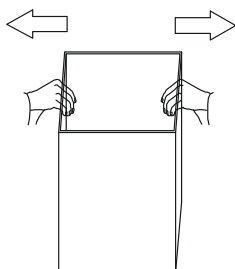

Fase 2:

Estender la pantalla.

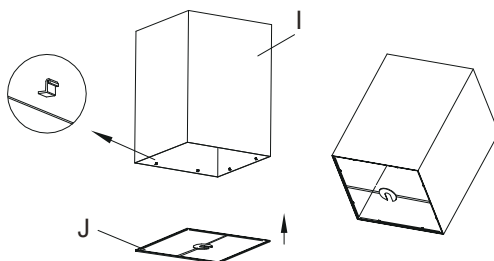

Fase 3:

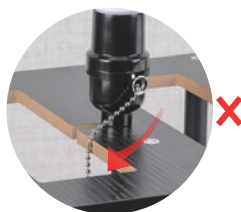

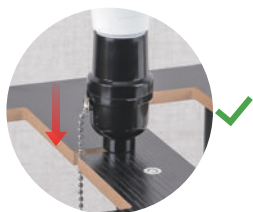

Formare un paralume perfetto.

Fase 4:

Installa il Supporto di paralume nel paralume e fissali sopra la lampada da terra.

Nota: si prega di inserire la base della lampadina e la catena nella giusta posizione. Come mostra l'immagine.

Nota: il pacchetto contiene una lampadina a LED da 9W, che può modificare tre temperature del colore quando la luce è accesa. Trascina la catena due volte e la lampadina cambia la temperatura del colore.

Garanzia

La lampada da terra con ripiani è coperta da una garanzia di **12 mesi** a partire dalla data di acquisto originale.

Per domande o assistenza, contatta il nostro servizio clienti via e-mail indicando il numero d'ordine e il numero di modello del prodotto. Faremo ogni sforzo per trovare una soluzione ottimale per te.
